Coon Lake Improvement Association (CLIA) Membership Information and Form

Your Coon Lake community lake organization, the Coon Lake Improvement Association (CLIA) is a non-profit entity and exists for all of us to act as stewards for Coon Lake. CLIA informs the membership of current events, receives input and direction from the lakeshore property owners, recruits' volunteers to work toward solving issues at hand and develop a sense of belonging to Coon Lake and its' neighbors. You may have been a CLIA member in the past or are new to the area. In either case, we welcome your interest in being an active part of your community.

Following are some of the good reasons to enjoy a membership with CLIA:

- Two annual meetings with a social hour and food prior to the business meeting
- One summer picnic
- A minimum of two published copies of "Coon Lake Living" newsletters annually
- Periodic email updates
- A dedicated board and committee team that meet a minimum of once monthly
- A group of volunteers working closely with the DNR on lake quality issues
- Work with other associations and agencies to benefit the lake and residents
- Aquatic vegetation surveys conducted to monitor invasive species locations and density
- Volunteer to do Fun activities like run the Meat Raffle
- Local area business discounts
- Access to Coon Lake apparel and other CLIA promotional items
- Representation at many government functions related to Coon Lake
- Member social events
- Business sponsors get advertisements in "Coon Lake Living" as well as on E-updates

We hope that you will consider becoming or remaining a member.

Annual membership for a single membership is \$20.00, \$25.00 for household, and \$50.00 for a business sponsorship.

If you are interested in belonging to your lake association, please complete the Coon Lake Improvement Association Membership Form and return it with your dues. Membership is a very important component of sustaining the lake association and demonstrates to the MN DNR that the residents of Coon Lake support the efforts of CLIA and that of the Coon Lake Improvement District (CLID).

To become acquainted with CLIA, sign up now to be a member or join us on the third Thursday in May and the third Thursday in October at the Coon Lake Community & Senior Center, 182 Forest RD, in Coon Lake Beach. Dinner and social hour begins at 6 PM with a speaker at 7 PM and the business meeting to follow.

Please direct any questions or comments regarding CLIA membership, to coonlakeimprovementassociation@yahoo.com or visit the following website:
